Piping fittings of chemical-resistant, glassfibre-reinforced, unsaturated ester plastic for process pipes. Survey
Introduction

This edition differs from Edition 3 mainly through having been adapted to the Swedish Plastic Piping Code and the corresponding Finnish Standards in this sector.

The pipe fittings are presented separately in SSG 1806 - SSG 1810 and SSG 1384.

Figure	SSG No.	Dim. range	Pressure class
	SSG 1806	DN50 - 600	PN 1 PN 6 PN10
	SSG 1807		PN 1 PN 6
	SSG 1808		PN 1 PN 6 PN10
	SSG 1809		PN 6 PN10
	SSG 1810		PN10/6
	SSG 1384		PN10
