

Pipe support elements – hanger

Information within brackets ([...]) in this document refers to local regulations.

Scope

This standard provides recommendations on hangers, which are included in systems made in accordance with [SSG 7025E](#).

Changes since the previous edition

This edition differs from the previous edition in that:

- In “Fig. 1” and “Table 1” “G” has been changed to “M”.
- The standard has been updated in accordance with the current template for SSG standards.
