

Pipe support elements – hanger eyelets

Information within brackets ([...]) in this document refers to local regulations.

Scope

This standard provides recommendations for hanger eyelets used for hangers made in accordance with [SSG 7025E](#).

For recommendations on hangers included in systems, refer to [SSG 7026E](#).

Changes since the previous edition

This edition differs from the previous edition in that:

- Requirements have been reformulated.
- In “Fig. 1” and “Table 1” “G” has been changed to “M”.
- The standard has been updated in accordance with the current template for SSG standards.
