Pipe support elements – bottom plate for pipe bend support

Information within brackets ([...]) in this document refers to local regulations.

Scope

This standard provides recommendations for bottom parts, which are used as flexible supports made in accordance with SSG 7178E.

Changes since the previous edition

This edition differs from the previous edition in that:

— Dimension D was 165 mm for No.3 in “Table 1”

— The standard has been updated in accordance with the current template for SSG standards.
