

## Document list of PED pipe classes

### Scope

This document is a list of the SSG standards which meet the requirements of EU Directive PED 2014/68/EU, including Annex 1.

A certificate of conformity has been issued by notified body (AO) Kiwa Sweden, certificate No. 24-1027395-100.

When auditing documents in "Tabell 1" in this document, a re-examination is carried out by the notified body for these documents. For this document to be valid, it must be stamped and dated with the stamp of the notified body.

### Changes since the previous edition

This edition differs from the previous edition in that:

- Table 1 has been updated with current editions and dates.
- Appendix 1 has been added to the document.

### Contents

1	List of standards.....	2
2	References.....	3

### Appendix 1: Background to calculations in SSG's new pipe classes
