

**Document list of PED pipe classes****Scope**

This document is a list of the SSG standards which meet the requirements of EU Directive PED 2014/68/EU, including Annex 1.

A certificate of conformity has been issued by notified body (AO) Kiwa Inspecta, certificate No. 20-1013779-100.

When auditing documents in "Table 1" in this document, a re-examination is carried out by the notified body for these documents. For this document to be valid, it must be stamped and dated with the stamp of the notified body.

Changes since the previous edition

This edition differs from the previous edition in that:

- Source references have been updated.
- The standard has been updated according to the current template for SSG standards.
